

Salt Tolerant Shrubs Available at Kahnke Brothers Tree Farm

If the plant is highly tolerant of salt spray, **red** type face will be used. An * indicates that the plant appears on lists of both tolerant plants and intolerant plants. If they are listed, I agree that they can handle salt spray. Lists from multiple sources were analyzed to arrive at the best options.

DECIDUOUS SHRUBS:

<i>Acer ginnala</i>	<i>Maple, Amur</i>
<i>Amelanchier</i>	<i>Serviceberry</i>
<i>Aronia</i>	<i>Chokeberry</i>
<i>Caragana frutex</i>	<i>Peashrub, Russian</i>
