

KAHNKE BROTHERS TREE FARM

Ornamental Trees: Crabapples

Variety:	Adirondack	<i>Malus 'Adirondack'</i>	Zone: 4
H x W:	15-18' x 12-16'	Foliage:	Dark green, thick
Disease Resistance:	Very good, spray-free tree	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	White with Pink Edge	Fruit Characteristics:	Abundant, 1/2", orange-red
Other Info:	This tree's narrow, columnar form makes it a great choice for small spaces.		

Variety:	April Showers™ (PP15,559)	<i>Malus cv. Mill-Fontana 'Uebo'</i>	Zone: 4
H x W:	8-10' x 4-6'	Foliage:	Narrow, dark green
Disease Resistance:	Great resistance to apple scab	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	White with pink tint	Fruit Characteristics:	Bright red
Other Info:	A weeping form and small stature make this an excellent focal point option. Bees visit its flowers and birds enjoy its fruits.		

Variety:	Coralburst®	<i>Malus 'Coralcole'</i>	Zone: 3
H x W:	8-10' x 12-15' (42" standard)	Foliage:	Dark green, small
Disease Resistance:	Resistant to fire blight & rust	Fall Color:	Insignificant
Flower Type:	Semi-double	Fruiting Habit:	Normal
Flower Color:	Coral buds open to pink flowers	Fruit Characteristics:	1/2", reddish-orange
Other Info:	This little tree grows very slowly and requires minimal pruning. It is a good choice for a corner garden.		

Variety:	Gladiator™ (PP20,167)	<i>Malus x adstringens 'Durleo'</i>	Zone: 4
H x W:	20' x 9'	Foliage:	Shiny, burgundy
Disease Resistance:	Good over-all disease resistance	Fall Color:	Insignificant
Flower Type:	Single, large	Fruiting Habit:	Fruit drops in late autumn
Flower Color:	Bright, rose-pink	Fruit Characteristics:	3/8", maroon
Other Info:	Tightly columnar and narrow, this attractive ornamental is ideal for privacy screens between properties.		

Variety:	Golden Raindrops®	<i>Malus 'Schmidtcutleaf'</i>	Zone: 3
H x W:	20' x 15'	Foliage:	Deeply cut (like a Japanese maple)
Disease Resistance:	Excellent for rust, mildew and scab	Fall Color:	Yellow with hints of red and green
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	White	Fruit Characteristics:	1/4", gold with rosy blush
Other Info:	This tree has a wonderful texture and horizontal branching that provide interest when it isn't flowering or fruiting.		

Variety:	Harvest Gold®	<i>Malus 'Hargozam'</i>	Zone: 3
H x W:	20-25' x 15'	Foliage:	Dark green
Disease Resistance:	Good resistance to rust and mildew	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	White	Fruit Characteristics:	3/8", gold
Other Info:	An upright habit and lustrous foliage provide the perfect backdrop for snowy white flowers and cheery gold fruits.		

KAHNKE BROTHERS TREE FARM

Ornamental Trees: Crabapples- continued...

Variety:	Louisa	<i>Malus 'Louisa'</i>	Zone: 4
H x W:	15' H & W	Foliage:	Dark green
Disease Resistance:	Good over-all	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	Pink	Fruit Characteristics:	3/8", yellow-orange
Other Info:	'Louisa' is an absolutely stunning, broad, weeping crabapple that will command attention in the spring.		

Variety:	Marilee	<i>Malus 'Jarmin' PP14,337</i>	Zone: 4
H x W:	24' x 10'	Foliage:	Green
Disease Resistance:	Good to excellent over-all	Fall Color:	Insignificant
Flower Type:	Large, double	Fruiting Habit:	Fruitless; though a few fruits occasionally develop
Flower Color:	White; unfurling flowers have pink edges	Fruit Characteristics:	not applicable
Other Info:	Tidy and upright, this is an excellent option for shading decks and patios. Bright pink buds open gradually, creating a two-tone effect.		

Variety:	Prairie Rose	<i>Malus ioensis 'Pr. Rose'</i>	Zone: 4
H x W:	20' x 18;	Foliage:	Medium green
Disease Resistance:	Good scab and mildew resistance	Fall Color:	Insignificant
Flower Type:	Double, rose-like	Fruiting Habit:	Virtually fruitless
Flower Color:	Pink	Fruit Characteristics:	not applicable
Other Info:	Here it is folks- there is finally a pink-flowering, fruitless crabapple for the Midwest!		

Variety:	Prairifire	<i>Malus 'Prairifire'</i>	Zone: 4
H x W:	15-20' x 20'	Foliage:	Maroon to dark green
Disease Resistance:	Good overall	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Very persistent
Flower Color:	Red buds to dark pink flowers	Fruit Characteristics:	3/8 - 1/2", burgundy
Other Info:	Shiny, maroon bark and extremely persistent fruit provide substantial winter interest.		

Variety:	Purple Prince	<i>Malus 'Purple Prince'</i>	Zone: 4
H x W:	20' x 20'	Foliage:	Purple-bronze
Disease Resistance:	Very good overall	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	Rosy red	Fruit Characteristics:	3/8" - 1/2", burgundy
Other Info:	This nicely shaped tree grows quickly. Its attractive, red bark won't split, despite its rapid growth rate.		

Variety:	Red Jewel®	<i>Malus 'Jewelcole'</i>	Zone: 4
H x W:	15' x 12'	Foliage:	Green
Disease Resistance:	Never gets rust, good overall	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Extremely persistent
Flower Color:	White	Fruit Characteristics:	1/2", red, abundant
Other Info:	This little tree packs a punch into a small space with its impressive flower and fruit displays.		

KAHNKE BROTHERS TREE FARM

Ornamental Trees: Crabapples- continued...

Variety:	Rejoice™	<i>Malus 'Reizam'</i>	Zone: 4
H x W:	15-20' x 15-20'	Foliage:	Dark green, blushed with maroon
Disease Resistance:	No information available	Fall Color:	Insignificant
Flower Type:	Semi-double	Fruiting Habit:	Sparse
Flower Color:	Rose pink	Fruit Characteristics:	1/2", burgundy
Other Info:	Upright and shapely, this tree quickly develops a dense crown that requires no pruning.		

Variety:	Royal Raindrops®	<i>Malus transitoria</i> JFS-KW5	Zone: 4
H x W:	20' x 15'	Foliage:	Burgundy, cut-leaf
Disease Resistance:	Very good overall	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	Rosy red	Fruit Characteristics:	1/4", red
Other Info:	'Royal Raindrops' has very unique foliage that holds its color well during the hot, summer months.		

Variety:	Ruby Tears™ (First Editions)	<i>Malus 'Bailears'</i>	Zone: 4
H x W:	8-10' x 12-15'	Foliage:	Burgundy to medium green
Disease Resistance:	Seems to stay very clean	Fall Color:	Yellow
Flower Type:	Single	Fruiting Habit:	Persistent
Flower Color:	Pink	Fruit Characteristics:	3/8", dark red
Other Info:	If you are looking for a small, flowering tree with a weeping form; this is an excellent choice.		

Variety:	Spring Snow	<i>Malus 'Spring Snow'</i>	Zone: 4
H x W:	25-30' x 15'	Foliage:	Bright green
Disease Resistance:	Good mildew & fire blight, heat tolerant	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Fruitless
Flower Color:	White	Fruit Characteristics:	not applicable
Other Info:	This fruitless crab has a beautiful, symmetrical shape and shiny, yellow bark that add to its appeal.		

Variety:	Starlite®	<i>Malus 'Jeflite'</i>	Zone: 2
H x W:	10-20' H & W	Foliage:	Green
Disease Resistance:	Excellent resistance to apple scab	Fall Color:	Yellow
Flower Type:	Single, borne in clusters	Fruiting Habit:	Persistent
Flower Color:	White with green undertones (red buds)	Fruit Characteristics:	1/4", red
Other Info:	'Starlite' is a rounded, upright grower with shiny, healthy leaves that stay clean throughout the season. Extremely cold hardy.		

Variety:	Tina	<i>Malus 'Tina'</i>	Zone: 4
H x W:	6-8' x 8-10'	Foliage:	Green
Disease Resistance:	Good over-all	Fall Color:	Gold
Flower Type:	Single	Fruiting Habit:	Litter-free; highly coveted by birds
Flower Color:	White with prominent, yellow centers	Fruit Characteristics:	1/4", red
Other Info:	This little tree is shaped much like tree-form panicle hydrangeas and can be used much the same way.		

KAHNKE BROTHERS TREE FARM

Ornamental Trees: Crabapples- continued...

Variety:	Velvet Pillar	<i>Malus 'Velvetcole'</i>	Zone: 4
H x W:	15-20' x 10-15'	Foliage:	Purple, metallic jade overlay
Disease Resistance:	Great against rust, good overall	Fall Color:	Insignificant
Flower Type:	Single	Fruiting Habit:	Sparse
Flower Color:	Pink	Fruit Characteristics:	3/8" - 1/2", maroon red
Other Info:	This is probably my favorite crabapple. It grows as straight as an arrow and has very attractive foliage.
